Wasabi Technologies
Boston, Massachusetts

March 20, 2024

Dear Hiring Manager,

I am writing to express my interest in the Engineering Co-op position at Wasabi Technologies, a company that embodies innovation and efficiency in the cloud storage industry. As a current student pursuing a Bachelor's in Artificial Intelligence at Long Island University Brooklyn with a strong foundation in cloud computing, I am excited about the opportunity to contribute to a team dedicated to supporting highly reliable, secure, and scalable applications for Wasabi's hot cloud storage service.

My experiences as the Founder and President of the AI Club have honed my collaborative skills and ability to tackle complex projects, aligning well with the responsibilities of the role. I have a solid understanding of software design principles and proficiency in agile frameworks and languages like Python, fitting the requirements set by Wasabi Technologies.

I am particularly drawn to Wasabi's culture of embracing technological innovation and fostering a collaborative atmosphere, which resonates with my aspirations and skills. The focus on innovative scientific research and rigorous problem-solving aligns perfectly with my academic background and practical experience.

I am enthusiastic about the prospect of applying my software design and development knowledge to contribute meaningfully to Wasabi's mission of providing cost-effective and efficient cloud storage solutions. I am confident that my technical expertise and passion for cloud computing make me a strong fit for this role.
