Openmesh Network
Sydney, Australia

March 19, 2024

Dear Hiring Manager,

I am writing to express my enthusiasm for the opportunity to contribute to Openmesh Network as part of the internship program focused on pioneering the cloud, data, AI, and Web3 space. With a background in Computer Science and a keen interest in blockchain technology, I am excited about the prospect of collaborating with brilliant minds in the tech industry to shape the future of decentralized data infrastructure.

Having pursued a degree in a relevant field, I have developed a solid foundation in programming and am eager to apply my skills to contribute to the development of blockchain consensus algorithms at Openmesh Network. My experiences in software development, particularly in C++ and Go, equip me to actively participate in blockchain projects and learn the principles of blockchain consensus with dedication and enthusiasm.

I am thrilled at the prospect of gaining hands-on experience at Openmesh, learning from visionaries in the field, and contributing to innovative solutions that democratize data and promote transparency on a global scale. I am confident that my passion for technology, coupled with my eagerness to learn and grow in the blockchain development domain, aligns closely with the ethos and goals of Openmesh Network.
