Leidos Cyber Solutions
Reston, Virginia

March 20, 2024

Dear Hiring Manager,

I am writing to express my strong interest in the Cyber Analyst Intern position at Leidos Cyber Solutions. Currently pursuing a Bachelor's degree in Artificial Intelligence at Long Island University Brooklyn with a strong GPA of 3.88/4.00, and having hands-on experience in AI research assistant roles, PyTorch CNN development, and computer vision projects, I am excited about the opportunity to contribute to Leidos in the field of cyber operations.

My academic background equipped me with a solid foundation in machine learning, deep learning, cloud computing, and software engineering, essential for addressing the full-spectrum of cyber operations. With a passion for understanding cutting-edge technologies and a track record of project successes, I am eager to work on research and development projects at Leidos while collaborating with a team of experts to advance cyber capabilities.
