Lacework
Mountain View, California

March 20, 2024

Dear Hiring Manager,

I am writing to express my strong interest in the Security Research Intern position at Lacework. With a Bachelor's degree in Artificial Intelligence from Long Island University and a solid background in machine learning, deep learning, and cloud computing, I am excited about the opportunity to contribute to Lacework's mission of providing security solutions for cloud environments.

During my tenure as an AI Research Assistant at LIU Brooklyn, I have developed AI solutions and orchestrated projects using cutting-edge technologies, showcasing my ability to translate complex concepts into practical applications. My experience in AI projects, such as the CNN for MNIST and Computer Vision projects, has honed my analytical and problem-solving skills, which I believe are essential for conducting data analysis and studying attacker techniques at Lacework.

My proficiency in Python, SQL, and familiarity with cloud platforms like AWS, along with my curiosity to learn new tools and technologies, align well with the requirements of the Security Research Intern position. I am eager to leverage my skills and knowledge to contribute to Lacework's innovative security research initiatives.
