Rockwell Automation
Milwaukee, Wisconsin

March 20, 2024

Dear Hiring Manager,

I am writing to express my strong interest in the opportunity to join Rockwell Automation, a global technology leader focused on enhancing productivity and sustainability. With a background in Applied Mathematics and a passion for innovation, I am excited about the prospect of merging my technical expertise with the dynamic environment at Rockwell Automation.

Throughout my academic journey, I have worked on projects that involved optimizing algorithms and modeling for different industries, showcasing my ability to translate complex mathematical concepts into practical solutions. The commitment to technological innovation and collaborative culture at Rockwell Automation aligns perfectly with my aspirations and skills.

I am particularly drawn to the opportunity to create data models supporting digital solutions across various industries and to build scalable tools for processing structured and unstructured data. My proficiency in machine learning, data management strategies, and data visualization tools, such as R and Python, equip me to contribute effectively in such roles.
