Elevance Health
Indianapolis, Indiana

March 20, 2024

Dear Hiring Manager,

I am writing to express my strong interest in the Data Analyst Internship for Summer 2024 at Elevance Health, as advertised. Currently pursuing a bachelor's degree in Computer Science and possessing a keen interest in healthcare technology, I am excited about the opportunity to contribute to Elevance Health's mission of reimagining the health system through advanced whole-health approaches.

With a solid foundation in Python, R, and Java, as well as experience with public cloud platforms like AWS, I am well-equipped to develop strategies, programs, and solutions that align with business priorities and consumer insights. My proficiency in data science, artificial intelligence, and machine learning, combined with my ability to quickly learn and adapt, positions me to thrive in a fast-paced environment like Elevance Health.

Moreover, my experience in text analytics, natural language processing, and database querying languages, along with my knowledge of emerging AI topics, frameworks like Nextjs, and reporting tools such as Power BI, align closely with the desired qualifications for the role. I am eager to leverage these skills to support Elevance Health in creating innovative solutions that drive positive outcomes for both the company and its patients.

I am particularly drawn to Elevance Health's commitment to making healthcare more accessible and affordable, and I am enthusiastic about the opportunity to contribute to such a meaningful mission.
