First American
Santa Ana, California

March 20, 2024

Dear Hiring Manager,

I am writing to express my interest in the internship opportunity within the Information Security division at First American, as advertised. With a background in Computer Science and Cybersecurity, coupled with hands-on experience in Java Script, React, and multiple programming languages, I am excited about the prospect of contributing to a renowned company like First American.

During my academic journey, I have honed my technical skills and developed a profound interest in application security. The responsibilities outlined for this internship align perfectly with my aspiration to apply my knowledge in a real-world setting. My proactive nature, ability to communicate effectively, and keen attention to detail make me well-equipped to collaborate with stakeholders, identify security vulnerabilities, and recommend robust remediation measures.

Moreover, I am eager to delve into the realms of Mortgage, Real Estate, Financial, and Title Insurance industries, demonstrating a strong willingness to learn and adapt. I am particularly drawn to the opportunity to work alongside professionals in a people-first culture, fostering an environment of inclusivity and innovation.

I am confident that my technical background, problem-solving abilities, and dedication to continuous learning make me a suitable candidate for this internship role. I am enthusiastic about the possibility of contributing to First American and look forward to the opportunity to discuss how my skills and experiences align with the company's mission.
