Dear Hiring Manager,

I am writing to express my enthusiastic interest in the Engineering Program Manager (EPM) Intern position at Cohere. With a background in Business Administration and a fundamental knowledge of machine learning, NLP, and Large Language Models (LLM), I am excited about the opportunity to contribute to Cohere's mission of scaling intelligence to serve humanity.

In reviewing the responsibilities outlined for the EPM Intern role, such as breaking down complex issues, troubleshooting cross-team challenges, and representing projects to key stakeholders, I am confident in my ability to excel in such a dynamic and fast-paced environment. My capacity for critical self-reflection and proactive problem-solving align well with the requirements of managing projects and programs in the AI/ML space.

At Cohere, I see not just an opportunity for personal and professional growth, but a chance to contribute to a team of dedicated individuals passionate about AI research and development. I am eager to bring my unique perspective as a lifelong learner and a collaborative team member to Cohere. Thank you for considering my application.
