Wasabi Technologies  
Boston, Massachusetts

March 20, 2024

Dear Hiring Manager,

I am writing to express my enthusiasm for the Internship position at Wasabi Technologies, known for its disruptive approach in the cloud storage industry. Currently pursuing my degree in computer engineering, with a strong foundation in software design principles and proficiency in languages like Python, I am excited about the opportunity to apply my skills to support the development of reliable and innovative applications for Wasabi's hot cloud storage service.

Having worked on projects involving software design and optimization, such as electric scooter infrastructure modeling, I have honed my ability to translate complex technical concepts into practical solutions. I am particularly drawn to Wasabi's culture of emphasizing efficient data migration as a means to optimize storage costs and performance, aligning perfectly with my passion for technological innovations with real-world impact.

I am eager to contribute to Wasabi Technologies by collaborating with the engineering team, leveraging my skills in software design and agile development to address challenges and drive meaningful innovations. I look forward to the opportunity to discuss how my background and experiences align with the responsibilities of the Internship, and how I can contribute effectively to Wasabi's pioneering work in the cloud storage industry.
