Identifeye Health Inc.
Guilford, Connecticut

March 19, 2024

Dear Hiring Manager,

I am writing to express my genuine interest in the Internship Program at Identifeye Health Inc., a pioneering company at the forefront of non-invasive diagnostic platforms. Currently pursuing a Bachelor's degree in Artificial Intelligence with a solid foundation in Applied Mathematics, my academic journey has equipped me with a versatile skill set that I have honed through esteemed internships, aligning seamlessly with the innovative and collaborative environment maintained by Identifeye Health.

Throughout my academic endeavors, I have engaged in projects involving algorithms optimization and advanced modeling, showcasing my ability to translate complex mathematical concepts into practical real-world solutions. The prospect of merging my technical proficiency with the intricate dynamics of non-invasive health monitoring at Identifeye Health excites me, offering the perfect platform to apply and expand this expertise within a dynamic and impactful industry.
